

The Place For American Youth Is On Top Of America's Soil. Not Under European Dirt!

VOLUME 17—NUMBER 6.

Recent Operations

By Paul Rardin

Members of the Pahokee Rotary club will honor their friends and have a kindly feeling toward the Arundel Corporation, dike builders, and Captain John Hermannson, in charge of the dredge campaign.

It all came about yesterday noon when Capt. Hermannson played to the friends aboard the dredge—and had one of the finest dinners served the boys have ever enjoyed. Food, tasty, delicious and in amounts sufficient that every fellow present had more than enough.

A short business session came immediately after the big feed but there was little business transacted. The boys just weren't interested in business right then.

The group did manage to sing a couple of songs—no dedicated to Capt. Hermannson—"For He's a Jolly Good Fellow," and "God Bless America."

After the short business session Capt. Hermannson conducted the visitors on a tour of the dredge and then saw that each man was safely aboard a tugboat for the return-trip to shore.

The captain's dinner and swell treatment of guests will live for years in the memory of the Rotarians.

Woman's Club Is Sponsoring Rally Dance

The Pahokee Woman's club is sponsoring a big rally dance at the Legion Hall this Saturday night. Tummy Kaffer and his orchestra will furnish the music.

Rally At School Auditorium Saturday

All county candidates will be held at a county-wide rally to be held in the Pahokee school auditorium on Saturday night at 7:30. The rally will be under the direction of Palm Beach county Democratic executive committee.

ENTERTAIN FRIENDS

Joe King, Cheviote fisherman, tonight fishing at the Orléans locks got, as he has a record of catching two of the fighting demersals at that spot recently. His largest one weighed 110 pounds and the lesser one 108 pounds.

SOUGHT SHORE SHELTER

The high winds on the lake on Tuesday, Sunday, caused the lake craft working on the dike, to be brought into and moored along the lake shore, this act being a safety precaution.

Whitehair Gains Larger Crowds In His State Wide Tour

Citizens Turn Out In Big Number To Hear Him Speak

Port Myers, April 23.—Ridiculing his opponents who have accused him of being the gubernatorial candidate for bond holders, Francis P. Whitehair told hundreds at Fort Myers and Punta Gorda that "I am glad to say that I was the author of the first re-funding contract in the state of Florida, the form of contract under which 200 million dollars of this state's bonds were paid off."

Whitehair declared that in all local matters concerning bond holders he had always represented his home county of Volusia, the school districts and municipalities and the record shows that Volusia has the lowest interest rate on its bonds of any county in the state of Florida.

"If that's an example of representing bond holders, I am forced to plead guilty, but if I can accomplish that for my own county, I believe that the state's other counties should like to have the same kind of representation," he said.

Taking his candidacy to the first of the cities and trucking centers in south Florida, the dynamic candidate was enthusiastically applauded by great crowds for his political test was the question of regulation of private industry.

"Florida's 'private' industry should be encouraged rather than regulated," Whitehair told a big turn out of voters in the state's famed sugar producing area at Clewiston.

The Deland audience and citrus growers blamed his true business with the sugar industry and assured his listeners that as governor he would restore the rights of private business enterprise to itself.

Streaming at Moore Haven his conservation program—one equitable to all—was enthusiastically applauded by the two groups. "What both need is leadership in Tallahassee," (continued on page 2).

Registrations In County Break All Previous Records

Precinct 18 In West Palm Beach Is Largest With 1,552

All previous registration records were shattered in Palm Beach county when 32,224 persons registered for the 7th primary, it was reported Wednesday after county commission J. L. Orléans, supervisor of registration.

This is an increase of 2,225 over the 1934 primary, an increase of more than 7,000 over the 1936 figure, and 9,864 more than were registered in 1932. This year's total is 3,946 short of a 100 per cent increase since 1932.

West Palm Beach, with its 15 precincts, had the list with 1,552, and it passed the 1,100 mark, the heaviest registration being in precinct 18 with a total of 3,385. These totals include both Democrats and Republicans, but the total for the county shows only 933 Republicans as registered, as compared with 22,691 Democrats. The town of Palm Beach registered 417, of which 464 registered as Democrats.

Four WPA precincts, 16, 17, 18, and 19, all passed the 1,100 mark, the heaviest registration being in precinct 18 with a total of 3,385. Other totals are as follows:

Jupiter, 224; Lake Park, 289; Riviera, 527; Lantana, 231; Boynton, 241; Deltona, 241; Boca Raton, 303; West Gate, 412; Military Trail, 402; Loxahatchee, 392; Canal Point, Glades, 1,322; Chesley, 244; Belle Glade, 849; South Bay, 252; Lake Harbor, 273; Brown's Farm, 19, and Greenacres City, 396.

SOUGHT SHORE SHELTER The high winds on the lake on Tuesday, Sunday, caused the lake craft working on the dike, to be brought into and moored along the lake shore, this act being a safety precaution.

Some Seniors May Not Graduate

The Senior Class of Pahokee High School is planning to hold commencement exercises on the school campus in order to accommodate the military friends and relatives of this year's large class which consists of sixty pupils are enrolled in the twelfth grade, but unless some improvement is made in the next few weeks, not all of the members of the class will graduate. Last year's class numbered fifty and perhaps there will not be many more than that to receive diplomas this year.

The commencement sermon on Sunday night, May 26, will be delivered by Reverend S. F. Beard of the Pahokee Baptist church, in the school auditorium.

Land Owners Don't Like Board Plan To Refinance District

Send Telegram Of Protest To Governor Cone Tuesday

Land owners of the Everglades do not approve of the contract which the majority of the Board of Directors of the Everglades Reclamation District have approved for the refunding of the huge bonded indebtedness of the district. The fact was conclusively set forth at a meeting at the city hall in Belle Glade, Tuesday night, when protesters to the plan to refinance the district with Excess Company of Coral Gables.

Some near a hundred property owners were at the meeting and most of them clearly expressed their dislike for the plan now likely to go in operation unless prevented by last action. The land owners present represented over 250,000 acres of the Glades acreage.

Prud'homme was that a committee was named to write a legal opinion, to prevent the contract being made effective. The committee is composed of the following: Walter Hogarth, chairman, Mrs. Ruth Wedgworth, Sam Chastain, H. L. Haney, H. E. Motter, A. O. Walker, R. E. Brown, J. L. Stuckey, Arthur Wells, J. B. Grant, S. D. Morris, J. L. Tatum and James Ball.

The landowners expressed opinion that the Directors could satisfactorily conduct their own refunding and that an expenditure of several hundred thousands of dollars for a fiscal year was not good business, in view of the critical financial condition of the district.

The following protest message was sent to Governor Fred Cone, of the state of Florida, by the Landowners committee:

"As Glades owners, who actually farm our own land, which is in the hands of the Landowners committee," (Continued on page 2)

New Explosive Is Now Being Used

The drill barges on the lake improvement work are now using the new explosive, known as Dupont, factories called Nitromon, said to be a safer and more powerful explosive than ordinary dynamite.

Report is also made of the recovery of 32 cans of dynamite in the lake, which had not exploded and is supposed to be some of the dynamite lost off the barge in the storm some months ago. It is reported that this dynamite was for practically all of the lost explosive from the barge at that time.

Arundel corporation's outfit is "going to town" on its new section of work, between Canal Point and Belle Glade, as record shows record breaking progress.

Loan Company Has Excellent Business

High J. Bratley, secretary of the Glades Federal Savings and Loan company, states that his company is having much pleased with the business, which has shown a big advance during the past year. The company now shows more than \$100,000 out in building loans in the territory which it serves.

CARTER TO SPEAK

Jerry W. Carter, candidate for the 11th congressional district in Belle Glade Monday night, April 28. Mr. Carter will explain his platform in detail.

Money Provided To Deepen Water Lane Across Okeechobee

\$208,000 Is Available To Make Six Foot Channel Eight Feet Deep

By action of Congress, an appropriation was made last week of \$208,000, for use in deepening the main channel of the cross state canal from six to eight foot depth. The Army Engineers already have the plans ready for this improvement, and work will be started in the near future.

That portion of the canal from Port Mayaca to the Pahokee harbor front will have been largely completed by the first week of June. The blasting and dredging has been done by the drill barges and dredges now working on the lake front. This increased depth of "channel" will permit pleasure vessels of larger tonnage to pass from the canal to the golf and view, and should increase the passenger and freight traffic over this inland course.

Future Farmers Devour Wieners

The Pahokee Chapter of the FFA members recently held a ping-pong tournament, in which Dan Beardsley's crew walked off A. J. Stevens' aggregation. The losers had to eat a wieners, to the winner, and their "gals," and this was held at the Government Club.

The trip was being held under unfavorable conditions were, the large attendance expected was represented by a smaller group. "Pop" Kendrick took the "fire" going, and soon the feast was in full force. W. A. Stevens was the consistent winner on the wieners, and because he had such much capacity.

Plans for the Chapter's proposed summer trip are being formulated, and evidences are most favorable for the securing funds for the costs of the extensive educational tour.

Produce Is Again On The Move In Big Shipments North

Prices Remain Under The Week At Profitable Levels

Shipments of Everglades winter produce, which had been trucked the past week kept up a high scale, as around 450 or more cars will go out to the north and other regions. The bean deal has been disappointing so far as volume is concerned, but prices have been very satisfactory, as tender greens have brought from \$1.75 to \$2; Bountiful, \$2.40; Black Tomatoes \$4.40 to \$5.00. Lima beans have appeared in great quantities as yet, but they will be more plentiful next week. There was a sprinkling of peppers in the truck loadings.

White squash brought around a hamper, yellow and long neck, which had a good market demand. A few scattering tomatoes were shipped up to \$2.00. Lima beans appeared in a box rate, and there will be plenty in the packing houses this coming week. The demand for celery has kept big shipments moving, and this is about the only market the eastern houses have to draw from now. Celery prices took a jump of around 15 to 25 c. high during the week, which records a most satisfactory return for the growers and packers.

Peas, which are moving good next week, with present market prices around the \$1.25 to \$1.50 a bushel. The new crop of peas are being furnished most of the potatoes and tomatoes for the (continued on page 2)

Two Candidates Appear In Pahokee

Two candidates for the Governorship of Florida appeared in the school auditorium on Friday and Saturday. Speeches were made by the candidates, and a large gathering of citizens.

Old Pictures Are Held Priceless

On the wall of "Pop" Lord's office at the Glades Federal Savings and Loan company, there are a number of old and faded pictures, but to him they are priceless. These are the pictures of the ball team that played in the Glades in 1912, twelve years ago, in just the way one of the players. Just let one of the players tell the story in and look at this photo album, and there will surely be an interesting reminiscence fanfare.

FISH EATING CREW OPENED

Government engineers have been here the past few weeks on fishing creel, above Moore Haven, removing obstructions and hyacinths, and removing the sand bar between the lake and the river at the mouth of the creek. The bar being removed it will permit fishing and pleasure craft to one more navigate this scenic stream, where so many fine fish are to be found by anglers.

Band Will Have An Efficient Leader In Robert Lampi

Comes To Pahokee Soon To Take Up New Duties

The Pahokee Band committee, working in conjunction with the Board of Public Instruction, announces that it has been fortunate to engage the services of Robert O. Lampi, of Newport Ritchie, in Pahokee county, as the new band instructor; and that he will soon take up summer training of many students who will enroll in the band.

In the fall Mr. Lampi, will become a member of the faculty of the high school, where he will be given an assignment of music. Mr. Lampi was formerly located at Dade City and later for four years at the University of Florida, where he made an outstanding record with musical bands in those schools, and is a thoroughly educated musician and competent band master.

Fire Sweeps Two S. Bay Buildings

South Bay had a bad fire shortly after noon Tuesday in which the two-story building owned by J. D. Poole and Jack Moore was burned to the ground, including all contents.

The Poole building was used as a grocery and meat market, and the upper floor for living quarters, while the Moore building sheltered the laundry and a beer parlor. The fire caught under the floor of the Poole store and had secured to the building that it was impossible to extinguish the flames before they had reached the roof.

The fire department was summoned, but there was little to save by the time they arrived on the scene.

Base Ball Fever Hits Engineers

The spring base ball fever has gotten into the corps of engineering inspectors now working on the Belle Glade canal. They have been formed, to play for championship honors. The captains of the teams will be Capt. Hanson of the navy, Mr. Wolfe of the land lubbers' force. The first of the series of games will be played on Sunday afternoon at 2:00 p.m. at the camp of the engineers. It is expected that government workers from all around the lake will be present at the games, an important series of ball games.

Poppy Poster Contest Under Way

The American Legion Auxiliary is putting on a Poppy Poster Contest in the schools of Canal Point and Pahokee. Those taking part are the 8th and 9th grades inclusive. Three cash prizes will be given each school. The winning posters will be displayed at Blackmon's 5 & 10 store in Pahokee and at Lapp's at Canal Point. Posters will be judged and winners will be announced on May 10 day program at Pahokee.

Singing Group To Meet Sunday P. M.

The monthly session of the Palm Beach Singing Convention is looked to be held at Belle Glade on next Sunday afternoon. John Kirk is chairman of the arrangement committee, and will have some special features to present for entertainment.

SOUTH BAY CHAMP

Kenneth Keene, eight grade, Denver, seventh, Jane Alvarez, sixth and Claudine Chamber, fourth, were the champions in the contests in the South Bay, last week. Young Keene will go on to the county seniors in the county annual contests.

Negroes Hurt In Traffic Accident

Ten negroes were more or less injured in a head on auto collision near the Connell store above Canal Point last night after a heavy rain Tuesday morning. A Hudson car driven by Frank Harper and a Buick driven by John Reese were struck by a truck, which was on the road. Patrolman Lee Rawls made investigation, and sent the injured to the Pahokee hospital, where all received surgical attention from staff surgeons, and had the cars removed from the highway among the injuries received by the victims of the collision included broken leg, broken arms and fingers, severe head cuts and bruises, and serious internal injuries.

Miss Mitchell To Direct Pageant In May Day Festival

Friday, May 3, Is Date Set For Program By 130 Students

May Day will be celebrated by the Pahokee school on Friday afternoon, May 3rd, on the lawn between the high school and the grade school. The program, under the direction of Miss Anita Mitchell, instructor of music, will feature a traditional coronation of the May Queen, appropriate spring songs, dances in costume, ending with the winning of prizes. There will be 150 children in the cast from all grades and the junior and senior high school.

Participation in the late afternoon celebration will open with a grand procession down the walk to the open stage where the queen will be crowned. Following the coronation, other events. Provisions are being made for seating the audience comfortably and for amplifying the music.

Following is the program for May-day: Grand procession, crowning of the Queen, song, "Welcome, Sweet Springtime," primary rhythmic band, "Parade of Wooden Soldiers," "The Dumb Dumb," tumblers, boys; Virginia Reel, "The Old Club," "The High Girls Ensemble," Maypole dance.

Those participating are as follows: Court, (from the first grade) Joy Lee, second grade, Mary Nell Mathis, Carolyn Jean Mission, Joyce Lovell, Deloris Guthrie, George Gant, Ralph Gant, L. L. Butler, Wynell Jensen, Christine Unwin, Jensen Browning, Christine Jensen, James Andrews, George Egan, Curtis Mock, Wood blocks; Howell Ward, Billy Meulen. Drums, Jerry (continued on page 2).

Dr. Meredith Visits Glades Churches

Dr. W. V. Meredith, of Miami, supervisory administrator of the Methodist churches in the East Coast district, spent the past week in the Glades, at South Bay, Belle Glade, Pahokee and Canal Point, where he conducted his final quarterly meeting conference and the present conference year. In addition to conducting the business sessions he gave special addresses to the boards in attendance.

Dr. Meredith's ministrations the past year has been highly satisfactory to these churches, and he has also made a deep personal impression, that the church boards have such a resolution to be presented to Bishop Paul Kern at the June conference at Sanford asking if possible, that he be returned to this official position.

The three churches having regular pastors have passed like relief to the churches of the past year. Jameson, Fred L. Martin and M. O. Slawson were returned to them as pastors for another year's service. The services of Rev. T. J. Slawson, now supplying at Santa Bay, were also commended, and he was invited to remain the balance of the conference year, until he resumes his college work.

Mrs. Roosevelt Is Interested Glades Visitor Wednesday

First Lady Visits Migratory Camp In Belle Glade

A surprise visit was made to the Everglades section Wednesday, April 23, by Eleanor Roosevelt, wife of the president, who is temporarily residing in Miami. The first lady of the executive branch of the government, for the purpose of inspecting the new government migratory labor camps at Belle Glade, and to see the housing conditions that prevail in the farming section.

First, Mrs. Roosevelt, under guidance of camp officials, made a complete inspection of the two camps recently occupied by the migrant workers. She didn't hesitate to converse with dwellers of the camp, and through them got the worst case had ever seen, that the residents were much pleased over their new homes.

Mrs. Roosevelt was much impressed with the two new camps stating that they were superior to those she had viewed in Texas and California, and other parts of the country, and was proud that such progress was being made in Florida in this line of work. However, in driving through the camps, she saw some of the quarters, where workers were housed, and she was not so enthusiastic, stating that they were the worst she had ever seen.

In driving from Belle Glade via Pahokee and Canal Point to West Palm Beach, Mrs. Roosevelt observed a great interest in the farming section and packing houses, and showed that she had a good line of sight in the late afternoon. She saw a great interest in the farming section and packing houses, and showed that she had a good line of sight in the late afternoon.

Supt. F. E. Bryan, of the Aneur plantations of the United States Sugar Corporation, and other officials, accompanied the first lady. She saw a great interest in the farming section and packing houses, and showed that she had a good line of sight in the late afternoon.

While in Belle Glade, Mrs. Roosevelt observed the migratory day nursery, and was pleased with what she saw carried on there in the way of a civic project.

Hobsonmen Out On Lair Field In First Football Practice

First Spring Workout Held For Aspirants Of 1940 Team

"Let's go," was the command that Coach Frank Hobson gave the prospective players on the Pahokee, Blue Devil football team on the 1940 team, who had their first spring football practice on Monday afternoon.

There were a dozen faces and the two teams of 1939 absent. There was a goodly number of the old team represented, and a large number of new recruits who presented themselves as candidates. Some of the new faces were boys from the Junior High schools at Canal Point, Pahokee, Belle Glade, and South Bay.

Coach Hobson would make no comment as to the possibilities of the 1940 team, but did indicate that he thought he might work out quite a formidable team, one that might keep up the past, high record of the school. The gridiron.

Coach Hobson gave the squad an address on the possibilities of the 1940 team, and then turned the players through light exercises. Hobson will coach the line and Coach Cagel the back field players, as was the rule last year.

May Perfect Control Program

Further steps were taken for the establishment of a County Mosquito Control and Health Unit for Palm Beach county during the past week. When the signed petitions were canvassed it was found that there were sufficient petitioners to call a county wide special election to be held on May 25th.

Shool's movement be approved by the county board of health, which will work to eradicate the mosquito pest from a health standpoint, and have departments of the county better equipped for surgical services for the purpose.

LARSON FOR TREASURER

Ed Larson, former internal revenue collector of Jacksonville, but now a candidate for State Treasurer, was back in Polk county last week shaking hands and receiving congratulations upon the clean race he is making. Ed Larson has what it takes to make an excellent state official, and especially in the job he aspires. His service with the revenue department proved him conscientious and thorough.

He has an understanding of the voters whose support he is asking and his unassuming manner makes him easy to meet. Voters are finding him just different from the average "jobhunting" politician, who "respectfully solicits their support," and he is a long way down the road toward having

ing "State Treasurer" affixed to his name.

—Lake Wales News.

LARSON QUALIFIED

Ed Larson has been in public life in Florida for ten or twelve years and no man in the State who has held public office can point to a cleaner record. No man in public life in Florida can show a finer record of service. He has kept faith with the people and has served faithfully and commendably.

We, in Clay County, who know Mr. Larson best, hold him in the very highest esteem. We recognize his outstanding ability, his rugged honesty and his ingrained aspiration to serve in all public places to the best interests of the people.

He has a pleasing personality and is a fluent and forceful speaker. He inspires confidence and to know him is to place implicit trust in him. We do not believe there is a man in Florida who would make a better State Treasurer, and we doubt if there are more than a very few who could make as efficient or as faithful a one. We are for Ed Larson one hundred percent and that is a complete support.—Clay County Crescent.

night, a majority of the Farm was at Ft. Myers, Wednesday. Owners committee, headed by R. K. Lewis, their counsel, made a trip there to confer with the Governor on the appointment of a special agent and refunding propositions.

The Governor told the delegation that he had not been able to go into and study the contract now pending but that he would notify the Everglades Drainage District Trustees not to sign up the pending contract, until he

He stated that he understood that when the contract had been submitted to Attorney General Gibbs, that that officer had made some changes of a protective nature for the land owners, and that the contract would need to go before the Board for approval or rejection.

CANAL POINT BAPTIST CHURCH

S. B. Jordan, Pastor. Sunday School meets at 10:00. Morning Worship begins at 11 o'clock. Special music will be rendered by the choir. The pastor will preach on the subject: "The Need of Witnesses."

The Baptist Training Union will meet at 7:00 o'clock Sunday evening.

Evening worship begins at 8:00 o'clock. The pastor will preach.

The mid-week prayer and praise service begins at 7:30 Wednesday evening with choir practice afterwards.

LEE FARMERS PRODUCING
Lee county farmers are again getting their spring crops off to market in car load shipments. The potato crop is being dug and the tubers are ranging from \$1.50 to \$2 per bushel. Peppers and cucumbers are in the market and bringing good prices. Watermelon market prices for produce are reported good. The end of the strawberry season has arrived after a sort of up and down record as to berries and prices.

STATE LEGION GATHERING
The American Legion forces of the 122 Posts in Florida, met in the 21st annual convention at St. Petersburg, this week, with some 5000 present. Both the posts from Pahokee and Belle Glade with representatives from the Auxiliary had delegates present for the convention and attendant festivities.

CARD OF THANKS
We wish to thank those who were so kind during the illness and death of our loved one. We did not authorize anyone to take up a collection for funeral expenses and did not receive any of the money that was collected.
Mrs. Frank Branch and Sons.

To the voters of the Everglades: Won't you please make it practically unanimous for me at the polls May 7th, that an Everglades man may once hold a major office in the Court House. I have good support on the East coast.

LONG DISTANCE
WILL HELP YOU
BUY-SELL-COLLECT

WITHOUT knowing what your business is, whether you deal in goods or services, it can be safely affirmed that its operations can be improved by the planned use of long distance telephone service.

Long distance telephone service is not only a voice-to-voice personal-medium, it is a fast, two-way, and low-cost means of reaching out to buy, sell or collect.

In collecting "sleepy" accounts, for example, a recent survey of 1,196 business users in all parts of the country brought out the concerted opinion that "long distance" for credit purposes is valuable because it saves time, permits personal contact, is generally more effective, allows prompt service to client, saves effort and expense.

Consider the use of long distance telephone service in your own business, and remember, the cost is small wherever you call.

ELECT ED R. BENTLEY

EQUAL JUSTICE TO ALL

Attorney General
ABLE lawyer, honest, fair, disinterested world war veteran, Past President State Bar. Teacher and experienced executive. **QUALIFIED—SAFE—DEPENDABLE**

Produce Is Again—

(continued from page 1)
Pioneer Packing business at Belle Glade. Since lettuce has passed out of the picture, escarole, a substitute salad ingredient popular with foreign born people of the north, has shown an unprecedented demand.

Cabbage demands keep up well and at prices that are around 90¢ the hamper, or \$20 to \$25, the ton. J. E. Hamilton, of the Florida East Coast system, who handles business affairs for the corporation, in a conversation with an Everglades News representative, Tuesday, stated: "Our road is very much pleased with its season business, which promises to exceed that of 1939 by quite a margin. Last year we shipped about 1500 car loads of cabbage and this year it will go over 2000 cars. I look for cabbage growing to be one of our main leaders next year."

"In my opinion the Glades area is just on the threshold of greater farming expansion and industrial building, on a scope that will attract the eyes of the world. I predict that with the adoption of greater diversified crop plantings, that beans will not long be the outstanding Glades crop, although they will always have a high spot in the farming program.

"We are getting better farmers, better crops, and better returns for farming is now being done on more systematic program. Farmers are watching the season's conditions, and planting accordingly, tilling their soil more effectively. They are handling their products much better, without so much waste, and growing a better quality. Packers are keeping pace with better handling, packing, and shipping.

"I am of the opinion that the Glades will be the main celery country, lettuce will make big gains, and other leaf and root products will also have big gain showings.

"With the vegetable business expanding, and the present packing houses lagged to capacity, in the rich season, it means there must be more such buildings erected in the Glades for the prompt handling of the crops, especially in times when market demands and prices are high. In fact I know there are several packing firms who are planning on such industrial expansion during the coming summer."

For SENATOR

VOTE FOR

FRED P. CONE

One of the best "Watchdogs of the People's Money" Florida ever had.

Let's send a man to Washington who knows HOW TO SAVE. Let's send a man who knows not only the SCIENCE OF GOVERNMENT but also the BUSINESS OF GOVERNMENT... a man whose RECORD proves that he knows how to combine GOOD GOVERNMENT with SOUND ECONOMY.

Let's send a man to the U. S. Senate who has "Horse-Sense". A man whose rich store of plain, down-to-earth straight-forwardness and honesty will win added respect for the State that sent him there.

LET'S SEND FRED P. CONE!

Read the record below. See for yourself how Fred Cone has reduced State expenses and increased State and County income in the departments under his supervision... how he has put Florida head and shoulders above the other Southern States in aid for the aged and blind... HOW HE HAS CUT THE EXPENSES OF THE GOVERNOR'S OFFICE BY 64 PERCENT.

Read The Record of State Departmental Income and Expenses Under The Governor's Supervision

STATE - BEVERAGE DEPARTMENT increased collections from \$3,121,514 for the year 1935 to \$4,278,507 for the year 1939. Increased operating expenses from \$270,947 in 1935 to \$177,650 for the year 1939 - or from 8.64 percent to 4.14 percent. This kind of management has meant more money for OLD AGE ASSISTANCE which is sustained by this department.

STATE RACING COMMISSION increased collections from \$1,439,977 for the season of 1935-36 to \$2,009,869 for the last season. Decreased expenses from \$16,359 for the season of 1935-36 to \$18,289 for last year. **INCREASED REVENUE PAID EACH COUNTY** FROM \$16,794 for the season of 1935-36 to \$29,853 for the season of 1938-39.

MOTOR VEHICLE DEPARTMENT increased collections from \$5,417,007 in 1935 to \$6,778,007 in 1939. Decreased expenses from \$125,233 in 1935 to \$338,508 in 1939. Total

increase in revenue for 1937-38-39 amounts to \$2,848,280. Total decreases in expenses for these three years total \$259,730. Total of INCREASES IN REVENUE AND DECREASES IN EXPENSES UNDER CONE amount to a GAIN OF \$3,105,010 FOR THE BENEFIT OF THE SCHOOLS which receive the revenue collected by this Department.

FLORIDA LEADS ALL SOUTHEASTERN STATES IN OLD AGE ASSISTANCE, paying an average of \$11.71 per month as compared to \$9.26 in Alabama; \$8.09 in Georgia; \$7.49 in Mississippi and \$5.15 in South Carolina. **FLORIDA LEADS ALL SOUTHEASTERN STATES IN AID TO BLIND**, paying \$12.35 as compared to \$8.86 in Alabama; \$10.02 in Georgia; \$7.33 in Mississippi; and \$10.75 in South Carolina.

During Fred P. Cone's administration of the Governor's office of Florida, the expenses of that office have been reduced 64 percent.

On This Record As Governor, Fred P. Cone Offers His Candidacy to The People of Florida for United States Senator

RE-ELECT Charles O. ANDREWS

U.S. SENATOR
MAR 1940

Pahokee and PERSONALS ~ Canal Point Society

The Mabel Simonson Circle met with Mrs. H. J. Anderson on the Bacon Point road, Monday afternoon, with circle officers in charge. During the business session arrangements were made for the showing at the next meeting of a movie film entitled "Missionary Activity in the Glades," to be presented by Mrs. J. E. Cochran, Sr. The May Power Committee is to be composed of Mesdames L. Houston, G. B. Ramsey, C. A. Bailey, L. W. Armstrong and H. J. Anderson; and Mrs. Ben Waring as chairman of the church reception committee. The circle was interested in the review of "Songs of Zion" presented by Mary-Latter. Refreshments were served.

Members and invited guests of the Pahokee Methodist choir, on Thursday afternoon, drove to Jobter, where they boarded a watercraft, for a trip over the beautiful Loxahatchee river. A picnic supper was served prior to the return home.

Pahokee Chapter, Order of the Eastern Star, on Tuesday night, had a very interesting program, during which delegates gave reports of the recent session of the Grand Chapter.

The Chapter is planning on staging a series of intercity bridge games to be held alternately in Pahokee and Belle Glade with Mrs. Thurmond Knight as chairman.

Announcement was made that on May 14th the chapter will be honored by a visit from Associate Grand Matron, Mrs. Marion Neaves, of Miami. Also that there will be a District School of Instruction at Delay on May 4th, and Jack Barrett, Mrs. Thurmond Knight and Mrs. Joe Cherry, local chapter officers, were delegated to attend as its representatives.

Mrs. Smith's Home Scene of Meeting

Members of the Marjory Lair Missionary circle of the Pahokee Methodist church, were entertained at the home of Mrs. Earl Smith on Monday, with Mrs. George Bell as co-hostess. The circle was planned to welcome Mrs. P. P. de Moya and Mrs. J. W. Crutcher to circle membership.

Mrs. Frank Rozelle was made chairman of the church welcoming committee for the month of May, while Mrs. J. M. Gledhill and Mrs. C. M. Bell were constituted the calling committee. Mrs. Gledhill, who has been conducting the reviews of the study-book, "Songs of Zion," presented the follow up talk.

Improvements have been made in the church kitchen and now the circle has called for a kitchen shower to add additional equipment, and these gifts will be handed in at the next session of the circle.

Visiting Mayor Inspects Camps

Mayor G. B. Hodge of Pompano was a guest of Farm Security Administration officials, at Camp Osceola, at Belle Glade, and was shown over the new camp opened last week. The mayor was much pleased with his inspection, and especially so, due to the fact that the Administration is planning on providing a like white camp in his city this summer, a camp that will be as large as Camp Osceola at South Bay.

Former Glades Resident Is Dead

E. L. Motes, of Belle Glade, for some time past employed as a pump man at the new Stuart locks died at the Palm Beach hospital, Monday, from cellulitis, which developed from an injury sustained in an auto accident on March 22. Mr. Motes had long been a resident of Belle Glade, where he is survived by a wife, two sons, his parents, Mr. and Mrs. W. D. Motes five sisters and four brothers. Farewell services were held at the Seventh Day Adventist church.

Belle Glade P.T.A. Held Meeting

At the recent session of the Belle Glade P.T.A., statement was made that now the migrant workers had gotten back into the fields

again, that the free lunches served at the school for the children, had been discontinued. A nurse from a government agency is now on duty at Belle Glade and is assisting in relief work, seeing that the children secure balanced meals and clothing from the Surplus Commodity Supply Administration supplies.

Sheriff "Hi" Lawrence was the guest speaker. Carmen Salvatore was present and spoke briefly. He stated that the past school year had been the most successful in the county since 1925, and that the school board was gradually working out of its numerous tough problems, so that future outlook for the schools is more promising.

CIVIL WAR VETERAN DEAD

Henry E. Porter, one of the two surviving members of the Grand Army of the Republic at Miami, died this week, at age of 94 years. C. J. Rose, the newly elected com-

mander of the Department, named at the St. Cloud convention, is the sole union veteran now residing in Miami, and he is approaching the 100 year mark.
